

## **Battery cabinet replacement conditions**

## **Overview**

Where is the battery cabinet located?

The battery cabinet may be located to either the right or left of the UPS cabinet. The recommended location is to the right of the UPS cabinet. This procedure assumes the battery cabinet is located to the right of the UPS cabinet. 21.

What temperature is a battery cabinet rated for?

The battery cabinet is rated for operation in up to a 40°C (104°F) ambient temperature. NOTE Emergency lighting and power equipment battery cabinets (UL924) are rated for operation in a 20°-30°C (68°-86°F) temperature environment. The batteries are rated for a 25°C (77°F) ambient temperature to extend their useful life.

Where do I install a line-up and match Battery Cabinet?

Line-up-and-match battery cabinets are installed adjacent to the UPS. The recommended installation location is on the right side of the UPS cabinet as viewed from the front of the cabinet. See Figure 3 for line-up-and-match configuration views. Figure 3. Eaton 93PM 100 kW UPS and Two 93PM Integrated Battery Cabinets.

Can a battery cabinet be installed indoors?

The system must be installed in a temperature and humidity controlled indoor area free of conductive contaminants. Failure to follow guidelines may void your warranty. • The battery cabinet is rated for operation in up to a 40°C (104°F) ambient temperature.

Where is the UPS battery cabinet located?

The recommended location is to the right of the UPS cabinet. This procedure assumes the battery cabinet is located to the right of the UPS cabinet. 21. If line-up-and-match installation, remove the rectangular knockout on the

bottom front side of the UPS and the IBC (see Figure 15).

Are battery cabinets 5 & 8 Wired the same?

Battery cabinets 5 through 8 are wired the same. The components inside the IBC are secured to a sturdy metal frame. All repairable parts and assemblies are located for easy removal, with very little disassembly. This design allows authorized service personnel to perform routine maintenance and servicing quickly.
