

## Old base station power supply

## Old base station power supply

what kind of power supplies do you guys use for base station

13.8v and 30a is fairly standard for a shack. That radio should run from 11.73v to 15.87v but at 12v and 5 amps, you'll probably put too much demand on that little power supply. I use a switching ...

Base station 2.0 replacement power cable? : r/ValveIndex

Set it up to the right voltage and put on the right plug that fits the base station 2.0 power socket. Make sure the polairty is correct on the plug, as they often can be adjusted by rotating the plug ...

## How to create a Universal Power Supply for your Base Station

So, I set out to find myself a universal power supply that would fit my "Graphite" base station. What I discovered was that finding a power supply for the "Graphite" is not easy.
